**COACHES APPOINTMENT
& ROTATION POLICY**

FEBRUARY 2015

Pahrhan Junior Football Club

The Pahrhan Junior Football Club (PJFC) Committee governs the appointment of all coaches and assistant coaches (coaches) on an annual basis.

Any person seeking a coaching position should apply in writing to the Director of Coaching, and/or the head of the PJFC Football Sub-Committee

The appointment of all coaches shall be at the sole discretion of the PJFC Committee and shall be done in consultation with the Director of Coaching and the Football Sub-Committee. All coaching appointments are made for one season. All coaches appointments will conclude at the end of each football season. Coaches seeking appointment are required to apply or re-apply for a coaching position by the first of March each year.

At the time of their appointment, all coaches must agree to adhere and sign the PJFC Coaches Codes of Conduct.

The PJFC Committee has determined that coaches will have a maximum of three (3) years tenure. This Policy is to assist players in their development and to experience the challenge of playing under different coaches in order to maximise their enjoyment, experience and potential. This may be reviewed at the sole discretion of the PJFC Committee should no suitable applicant be obtained for the season following a particular Coach's 3 year term.

The PJFC Committee will review this Policy on an annual basis.
